

THE MARYLAND SUPERINTENDENT ACADEMY

Sponsored by the Public School Superintendents' Association of Maryland and the Region 4 Comprehensive Center

OVERVIEW

The Maryland Superintendent Academy is a cutting edge, accelerated, executive professional learning experience designed to build the bench of qualified, prepared, and diverse Maryland superintendents. Our team of trainers includes national firms and industry experts who help you to prepare for and excel in the role of superintendent. This program is touted for its wide array of current and former superintendents who provide first-hand experiences to shape your learning. The Academy is Maryland's first statewide, grow your own model intentionally developed by the Public School Superintendents' Association of Maryland (PSSAM) in collaboration with the Region 4 Comprehensive Center to meet the unique needs of Maryland school district leadership .

This nine month experiential learning includes face to face professional learning, virtual self paced modules, role play, mock exercises, resources, and superintendency preparation books to support you in your current role and for the future! Some of our modules include:

- Politics of the Superintendency
- Working with Elected Officials & Boards of Education
- Crisis Management & Working with the Media
- Contract Negotiation & Collective Bargaining
- School District Budgeting and Operations
- Mock Interviews & Superintendent Shadowing
- and more !!

THE MARYLAND SUPERINTENDENTS ACADEMY

"This is among the best PD that I have had."

"I appreciate the planning that goes into each of these sessions and the thoughtfulness of the activities."

"This has been an extraordinary experience."

HOW TO PARTICIPATE

Program participation is based upon district superintendent recommendation. To learn more about the program and application process please contact us.
